

Je m'appelle

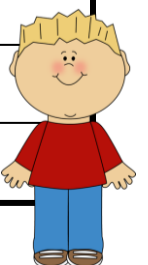

Je me prépare pour l'école!

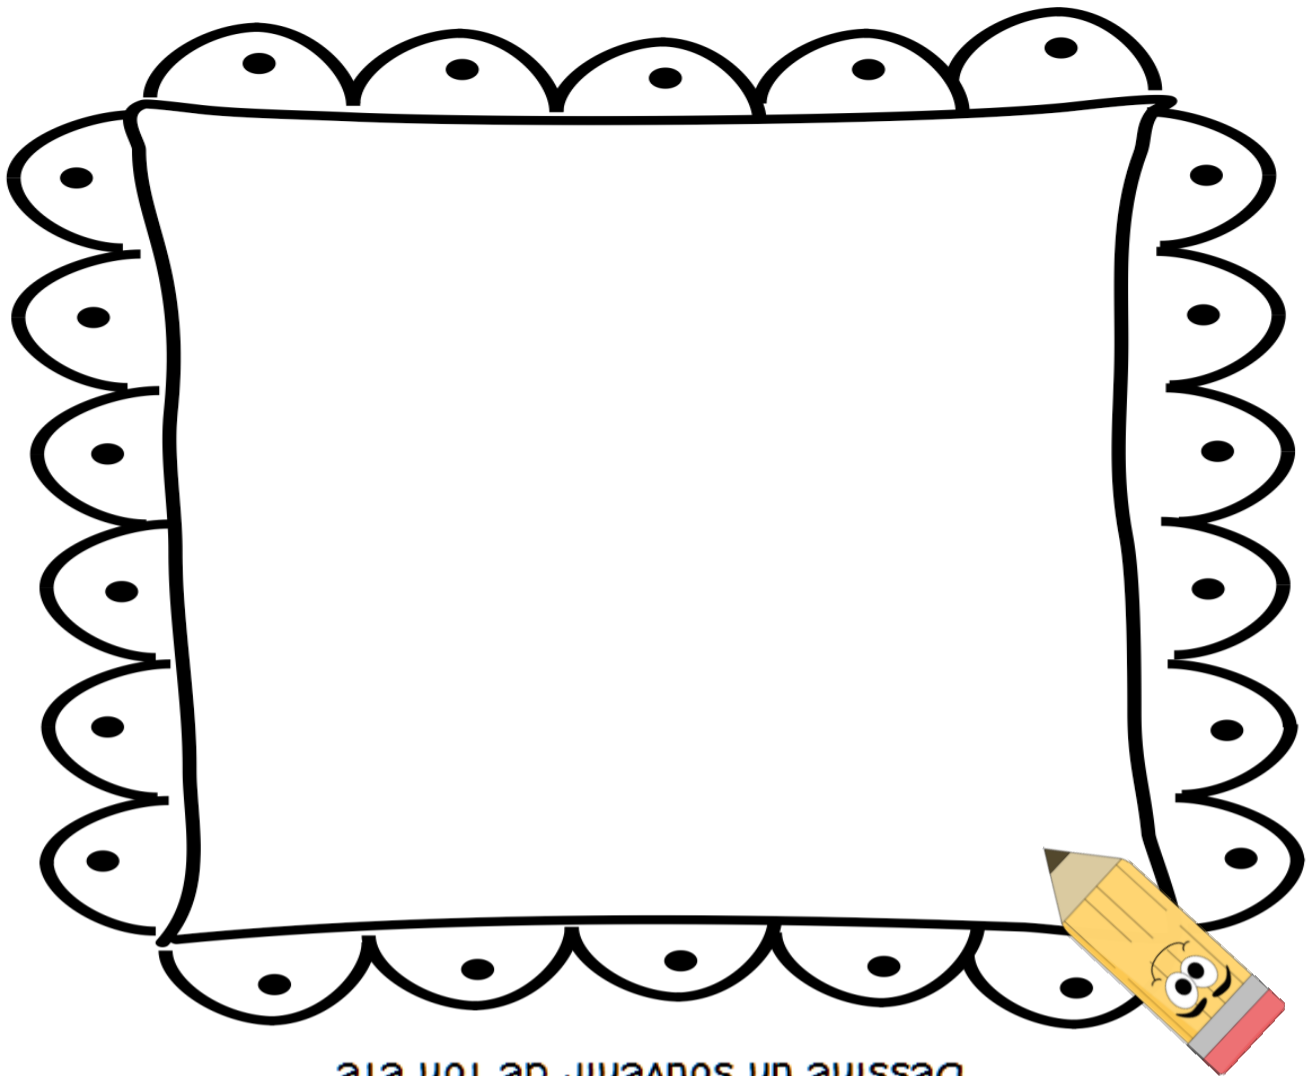

Voici les activités que j'ai réalisées cet été.

	Je dessine, je bricole, je joue avec de la pâte à modeler.				
	Je joue dehors. Je joue au parc.				
	Je suis responsable. Je fais mon lit, je m'habille seul.				
	Je partage mes jouets.				
	Je joue à des jeux éducatifs seul et en famille. (Ex. : mémoire, casse-tête, serpents-échelles)				
	Je regarde des livres et j'écoute des histoires.				
	Je chante des chansons.				
	J'exécute une consigne du 1 <sup>er</sup> coup.				
	Je débute une activité et je la termine. Je persévère.				
	Je range mes jouets.				

Mes attentes et mes inquiétudes face à l'école :

(J'ai hâte de... J'ai peur de...)

Dessine un souvenir de ton été

## Je me prépare pour l'école!

Bonjour à toi!

Voici quelques activités que tu vivras à la maternelle. Je sais que tu en fais déjà plusieurs à la maison. Je te propose d'utiliser ce tableau pour continuer à jouer pendant l'été et en découvrir des nouvelles!

**Comment utiliser le tableau :**

- ❖ Écris ton nom en haut du tableau.
- ❖ Colorie un autobus ou ajoute un autocollant à chaque fois que tu feras une des activités proposées à la maison.
- ❖ Si tu le souhaites, tu pourras présenter ta feuille d'activité à ton enseignante à la rentrée scolaire.

Nous avons bien hâte de te revoir et de faire d'autres activités avec toi à l'école.

Passe un bel été!

Les enseignantes de maternelle
